**DOGS MUST BE
ON A LEASH**

**Scoop the
Poop!**

**Clean up after
your dog**

thank you

This brochure is a guide only.

**Off leash under effective
control means your dog:**

- is trained to come back when called;
- is not in other peoples space;
- does not run up to other dogs;
- is prevented from approaching wildlife;
- is exercised only on the sandy intertidal beach zone; and
- is close to you at all times.

**Seals and other wildlife
see dogs as predators.**

**For dog incidents please call
CoGG Animal Control Management
Team on 5272 5272**
