DETAIL NOTIFICATION OF FILMING EVENT

Dear Residents and local community,

Cousin Production Company would like to notify people in the community of an upcoming day of filming on Wednesday 4th February 2026.

Our Tv Commercial is set over 3 Locations in your area.

1. Thirteenth Beach Road, Barwon Heads.
2. Ocean Grove Beach and car park.
3. Barwon Heads Jetty.

Filming:

Thirteenth Beach Road scene shows a car traveling along the road. This will be filmed by Drone.

At Ocean Grove Beach we are filming a scene of a family getting out of the car with surf boards and heading to the beach for a swim.

Barwon Heads Jetty is a scene showing a father and son fishing off the jetty.

All locations will be shown generically, as a non-descript area, with no indication of location, address, or region.

Filming Dates/Locations/times:

Wednesday the 4th of February 2026, between 0400 and 1800hrs (6pm).

****We're aware of the locals who frequent these public areas and will do our best to avoid any impact to the local community.**

Parking:

Unit base, filming trucks will be based at Ocean Grove Beach car park from 0600 – 1700.

Essential vehicles will be parked at Beacon car park from 0400 – 0900.

Essential vehicles will then be at Ocean Grove Beach car park from 0900 – 1700.

Essential vehicles will then be at Barwon Heads jetty from 1100 – 1400.

We will not occupy these parking areas completely, and we will have Traffic management with us to allow access to local traffic.

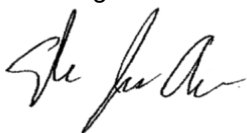

Traffic:

Vehicle traffic will be temporarily held on Thirteenth Beach Road, Barwon heads, in the immediate filming area during each filming take, and will be released as soon as the filming vehicles are clear of the road (these holds will last no longer than 3mins). No full road closures or detours will be necessary. Traffic will be managed by qualified staff according to an approved TMP (Traffic Management Plan).

Permissions

We're working with the Barwon Coast Committee Office and Geelong City Council to permit this filming activity. We regret any inconvenience our hold and release traffic control may cause and thank you in advance for your patience and understanding. If you have any questions regarding the parking/filming or have events or activities (construction/road work/etc) that may impact traffic flow, please feel free to call us on the numbers below.

Kind Regards
